ARCHERY NZ INDOOR LEAGUE SERIES

Archery New Zealand would officially like to invite archers from World Archery Oceania to participate in the 2017 Indoor Postal League Series.

The Indoor league series is a 15-week postal event where archers can shoot an 18m, 30 arrow round (specifically the Vegas Indoor round) each week and submit their scores online.

The divisions are organised by bow type and ignores age/gender.

Because of this we use a Handicap system to form one of the division winners, and an Overall winner for the second.

Hoyt, Easton, Doinker and Pats-Archery have put some fantastic prizes up for grabs, these are available to winners of the Compound and Recurve divisions.
