

IT'S A 24 TARGET MARKED FIELD SHOOT WITH A 3D TWIST.

For this tournament we are including 3D targets that will need to be shot as well.

It's Simple - 3 arrows in the field target and 1 arrow in the 3D (IBO scoring) target. Score the field round on Archers Diary and the 3D round on Paper which we will provide. All participants must shoot both if competing.

This tournament will be based on Raw scores only. Winners will be selected on the highest score for both Field and 3D combined. Prizes will be given based on Division for both Field and 3D individually

This even open to all clubs that wish to join the fun, BUT we have space for only 48 contestants. So, Hurry!! Before you get left out.
