6 Nomination Criteria

- 6.1 The National Federation will use a two-stage process to determine which Athlete(s) are nominated to the AOC for selection to the Team. The first stage of the nomination process will commence with the 2024 Olympic Trials which will be used by the National Federation to select Athletes in the 2024 Shadow Squad. The 2024 Shadow Squad will compete in a series of identified international events to determine which Athlete(s) are eligible to be nominated to the AOC for selection to the Team. The second stage of the nomination process identifies which eligible Athlete(s) from the 2024 Shadow Squad will be nominated for selection to the Team based on the number of quota positions allocated to Australia.

Stage 1 – 2024 Olympic Trials and Olympic Preparation Schedule

- 6.2 The National Federation will select up to 4 Athletes for each gender to form the National Federation's 2024 Shadow Squad based on the results of Athletes at the 2024 Olympic Trials and in accordance with the criteria set out in clauses 6.3 – 6.5 below.
- 6.3 In order to be eligible for selection to the National Federation's 2024 Shadow Squad, an Athlete must achieve a minimum of 3 Minimum Qualification Scores (**MQS**) set out at Appendix 2 during the Performance Period and must have submitted a registration for the 2024 Olympic Trials in accordance with the method and timeframes set out in Appendix 2.
- 6.4 If two or fewer Athletes of either gender qualify for invitation to the 2024 Olympic Trials, the NTSC reserves the right to invite additional athletes who have not met the requirements set

out in clause 6.3 but who, in the sole and absolute opinion of the NTSC, have best meet the criteria in clause 6.3.

- 6.5 At the completion of the Trials, the National Federation will select up to 4 athletes of each gender to form the 2024 Shadow Squad. In determining the Athletes to select to the 2024 Shadow Squad, the National Federation will apply the following considerations:
- (a) the top 3 ranked Athletes for each gender at the completion of the Trials according to the 2024 Shadow Team Ranking System will be selected to the 2024 Shadow Squad; and
 - (b) a fourth Athlete for each gender may be selected to the 2024 Shadow Squad at the discretion of the National Recurve Coach and the NTSC. In making its determination, the NTSC and the National Recurve Coach may have regard to any, all or none, of the following considerations, in their absolute discretion.
 - i. the Athlete's physical form and fitness;
 - ii. the Athlete's international performances in 2023;
 - iii. the Athlete's performance form based on the MQS events set out at Appendix 2;
 - iv. the Athlete's performance at the 2024 Olympic Trials;
 - v. the level of the Athlete's international experience including events of a similar standard to those expected at the Games;
 - vi. the benefit or detriment of the Athlete's membership on the Team with respect to team dynamics, team behaviour and team performance; and
 - vii. the extent to which the Athlete has demonstrated during the Performance Period, discipline, motivation and commitment to the Sport and to the Team.
- 6.6 The Athletes that comprise the 2024 Shadow Squad must:
- (a) attend all events included in the Olympic Preparation Schedule set out at Appendix 4; and
 - (b) satisfy the eligibility criteria in clause 5 of this Nomination Criteria (noting that it is acceptable for a member of the 2024 Shadow Squad to be in the process of obtaining Australian citizenship if, in the opinion of the NTSC, there is a strong likelihood of confirmation of Australian citizenship being received before the Nomination Date),
- to be eligible for nomination under Stage 2 of this nomination process.
- 6.7 For the avoidance of doubt, nomination to the AOC is subject to Australia receiving quota places for the individual and/or team events at the Games and Athletes satisfying the relevant criteria for nomination under clauses 6.9 to 6.11.

Stage 2 – Nomination to the AOC for selection to the Team

- 6.8 At the conclusion of the final event in the Olympic Preparation Schedule, the National Federation will determine the Athlete(s) that are eligible for nomination to the AOC in accordance with clause 5 and this Stage 2 of the nomination process. The NTSC will then

meet to apply the nomination criteria set out in clauses 6.9 to 6.11 to determine the Athletes to be nominated to the AOC for selection to the Team.

Individual Nomination

6.9 Where Australia has qualified an individual quota place(s) at the Games pursuant to the Qualification System, the National Federation will nominate Athlete(s) for each gender who, in the opinion of the NTSC, in its absolute discretion:

- (a) has ranked in the highest position based on the 2024 Olympic Team Nomination Ranking System. For the avoidance of doubt, a ranking of one (1) is the highest ranking possible

Team Nomination

6.10 Where Australia has qualified a team quota place at the Games pursuant to the Qualification System, the National Federation will nominate Athletes to the AOC via the recommendations of the NTSC, in accordance with the following process:

- a) if a team quota place has been awarded to Australia at the 2023 World Archery Championships 1-6 August 2023, Berlin Germany, the first three ranked Athletes using the 2024 Olympic Team Nomination Ranking System as at 23 June 2024 will be nominated;
- b) if a team quota place has been awarded to Australia at the 2024 Final Team Qualification Tournament (**FTQT**) June 2024, Antalya Turkey, the Athletes that comprise that Australian team will be nominated. The FTQT will be held immediately prior to World Cup 3; and
- c) if a team quota place has been awarded to Australia through the Team World Ranking List (**TWRL**) after the FTQT and World Cup 3, the Athletes that comprise the Australian team that competed at World Cup 3 will be nominated. World Cup 3 will be held in Antalya, Turkey 18-23 June 2024.

7 Extenuating circumstances

7.1 In determining whether an Athlete has satisfied the criteria set out in clauses 5(g) and 6.6(a), the National Federation will have regard to Extenuating Circumstances.

7.2 In the event that an Athlete determines that he or she is unable to attend competition and training preparation events for the Games (**Nomination Event**), that Athlete must notify the National Federation of his or her non-attendance in writing as soon as practicable.

7.3 The National Federation may consider an Athlete's non-attendance at a Nomination Event to be an Extenuating Circumstance in its absolute discretion. The National Federation may require an Athlete to undergo a medical examination and/or seek additional information or

documentation, as a condition of treating the Athlete's non-attendance at a Nomination Event as an Extenuating Circumstance.

8 Submission of Nominations

- 8.1 The National Federation must notify Athletes of the Nomination Date in writing.
- 8.2 The AOC may, in its absolute discretion extend the Nomination Date for the National Federation for any reason.
- 8.3 The National Federation must nominate Athletes to the AOC by the Nomination Date. The National Federation must inform Athletes of their nomination or non-nomination by no later than:
- (a) 48 hours prior to the Nomination Date, where such written notice would be received by the Athlete 14 days prior to the Sport Entries Deadline; or
 - (b) 24 hours prior to the Nomination Date, where such written notice would be received by the Athlete within 14 days of the Sport Entries Deadline,
- or such later date as the AOC advises the National Federation.
- 8.4 Nominations submitted to the AOC must be in the form prescribed by the AOC or in a form that is otherwise acceptable to the AOC and include any such information that is required pursuant to the AOC Olympic Team Nomination and Selection By-Law.
- 8.5 The AOC may, in its absolute discretion, accept a nomination submitted after the Nomination Date where it is submitted by the National Federation as a result of an appeal brought in accordance with the AOC Olympic Team Nomination and Selection By-Law.

9 Amendments

- 9.1 This Nomination Criteria may only be amended with the written consent of the AOC.
- 9.2 The AOC may amend the AOC Selection Criteria from time to time in its absolute discretion. If advised by the AOC of such an amendment, the National Federation must update Appendix 1 to this Nomination Criteria and re-upload an updated Nomination Criteria to the National Federation's website and advise Athletes of the amendment.
- 9.3 Where the AOC forms a reasonable opinion that this Nomination Criteria requires amendment, the AOC must notify the National Federation of the required amendments. The National Federation must work collaboratively with the AOC in good faith to amend this Nomination Criteria to the satisfaction of the AOC.

10 Appeals

- 10.1 A non-nominated athlete may only appeal against their non-nomination to the AOC (Nomination Appeal) in accordance with the procedure set out in clause 9.6 or clause 9.9 of the AOC Olympic Team Nomination and Selection By-Law (**the AOC By-Law**). For clarity, an athlete who is not selected to the National Federation's 2024 Shadow Squad cannot appeal against their non-selection under the procedure set out in the AOC By-Law, however such an

Appendix 3 – Ranking Systems

2024 Shadow Squad Ranking System

At the completion of the 2024 Olympic Trials (**Trials**), Athletes will be ranked according to their points accumulated over the course of the Trials. For the avoidance of doubt, the aim is to accrue the highest points tally as possible during the Trials, so that more points accrued (compared to another athlete) equals a better ranking.

All scoring during the Trials will be cumulative and calculated in the following manner:

- a) ranking rounds – the points scored in each round shall be the number of points accrued;
- b) match play – all matches will be 5 sets. The aggregate of the arrow points scored in the 5 sets of a match will be added to each Athlete's cumulative score. Tie break arrows will not be included in cumulative scores;
- c) match play – the winner of each match will be determined using the International Federation's scoring system and the winner will receive 4 bonus points. If a match is won in 3 or 4 sets, additional sets will be shot and the respective set scores added to each athlete's aggregate points total;
- d) match play (male) – Athletes will receive a bonus of 2 points for every score of 28 or greater in each set of a match;
- e) match play (female) – Athletes will receive a bonus of 2 points for every score of 27 or greater in each set of a match.

In the event that two or more Athletes from the same gender have achieved the same aggregate score at the conclusion of the Trials, any tie will be broken in the following manner and order;

- a) the Athlete with the higher single ranking round score shall be ranked higher;
- b) if a tie remains after applying clause (a) above, the Athlete who has won the most matches during the Trials shall be ranked higher;
- c) if a tie still remains after applying clauses (a) and (b), the Athlete who has won the most bonus points during the Trials shall be ranked higher;
- d) if after applying all of the above tie breakers a tie still remains, a 1 match tie break will be held to finalise the rankings with the winner determined using the International Federation's scoring system.

2024 Olympic Team Nomination Ranking System

1. Subject to clause 6, Athletes will be ranked using the arrow average from the first two events set out in the Olympic Preparation Schedule in Appendix 4. The arrow averages will be calculated using all scoring arrows from:
 - a) ranking rounds;
 - b) individual match play;
 - c) teams match play; and
 - d) mixed team match play.

2. The top three ranked athletes from each gender after the first two events set out in the Olympic Preparation Schedule in Appendix 4 will be selected as the Australian team to compete at the 2024 Final Qualification Tournament (FQT) and World Cup 3 in Antalya, Turkey.
3. In the event that two or more Athletes from the same gender have achieved the same arrow average after the first two events set out in the Olympic Preparation Schedule in Appendix 4, any tie will be broken in the following manner and order:
 - a) the Athlete with the highest single ranking round score over the two events shall be ranked higher;
 - b) if a tie remains after applying clause (a) above, the Athlete who has won the most matches over the two events shall be ranked higher;
 - c) if after applying all of the above tie breakers a tie still remains, the athlete who ranked higher at the 2024 Olympic Trials shall be ranked higher.
4. At the conclusion of World Cup 3 in Antalya, Turkey and subject to clause 6, these three Athletes from each gender will be ranked using the 2024 Olympic Team Nomination Ranking System using the arrow average from all four events set out in the Olympic Preparation Schedule in Appendix 4. The arrow averages will be calculated using all scoring arrows at each event from:
 - a) ranking rounds;
 - b) individual match play;
 - c) teams match play; and
 - d) mixed team match play.
5. In the event that two or more Athletes from the same gender have achieved the same arrow average at the conclusion of all four events set out in the Olympic Preparation Schedule in Appendix 4, any tie will be broken in the following manner and order:
 - a) the Athlete with the higher single ranking round score from the FQT or World Cup 3 shall be ranked higher;
 - b) if a tie remains after applying clause (a) above, the Athlete who has won the most matches over the FQT and World Cup 3 events shall be ranked higher; and
 - c) if after applying all of the above tie breakers a tie still remains, the athlete who ranked higher at the 2024 Olympic Trials shall be ranked higher
6. Any Athlete who wins a gold medal at a 2024 World Cup or the FQT will be ranked first. If more than one Athlete wins a gold medal, the 2024 Olympic Team Nomination Ranking System using arrow averages will be applied.
