

# SUN 10<sup>TH</sup> AUGUST FAIRWEATHER INVITATIONAL

## Australia's Only Team Field Event!

The Fairweather Invitational is a Team Field Event shot in two stages. Stage One is a WA Registered Field 24T handicapped round, and Stage Two is a four target, eight team, one arrow per team member per target shoot off culminating in a two team head to head. We encourage mixed teams of diverse ages, genders, and club affiliations to shoot in teams together to foster development, encouragement, and good relationships within archery, while having fun and dynamic match play.

Register by emailing team to [tournaments@greatsouthernarchers.com.au](mailto:tournaments@greatsouthernarchers.com.au)
