

Archery Australia Etrainu Enrolment (Officials Course)

This guide has been created to help members of the Archery Australia community register with Etrainu and complete the Officials Course, along with any future training courses.

To get started, use the enrolment link below to access the Archery Australia learning portal:

[Archery Australia Etrainu Enrolment Link](#)

Once you open the link, you will be taken to the login page where you can:

- Sign in using your existing Etrainu account, or
- Create a new account if you are registering for the first time.

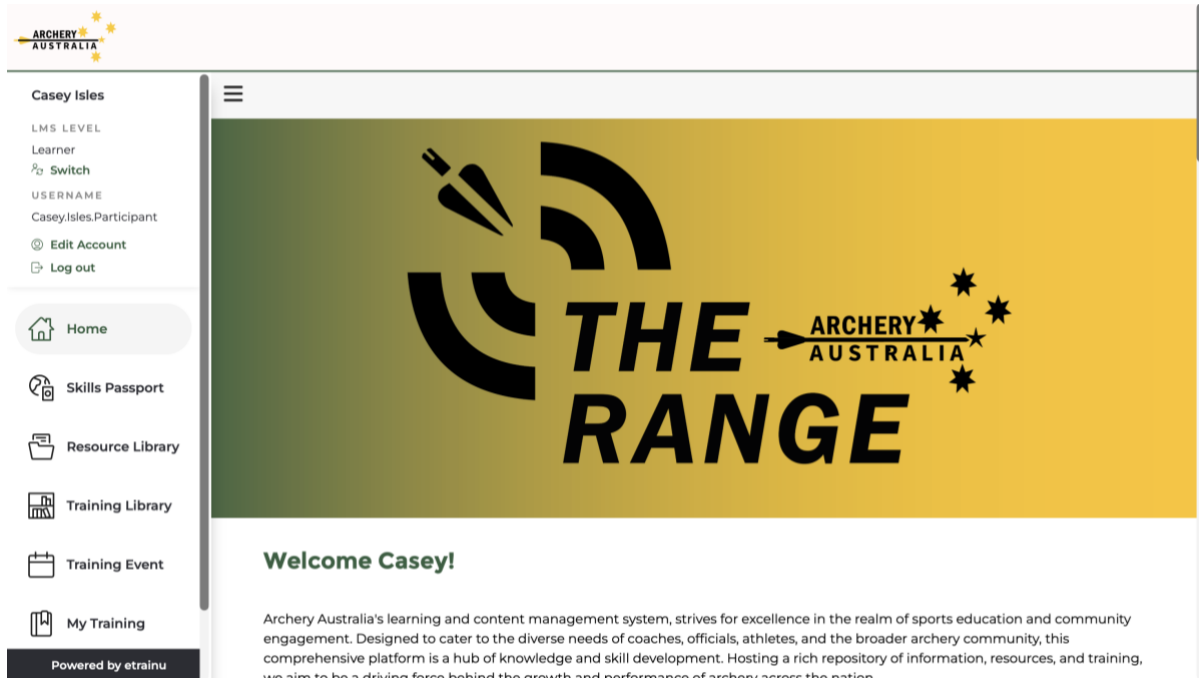

You are about to enrol in:
Officials

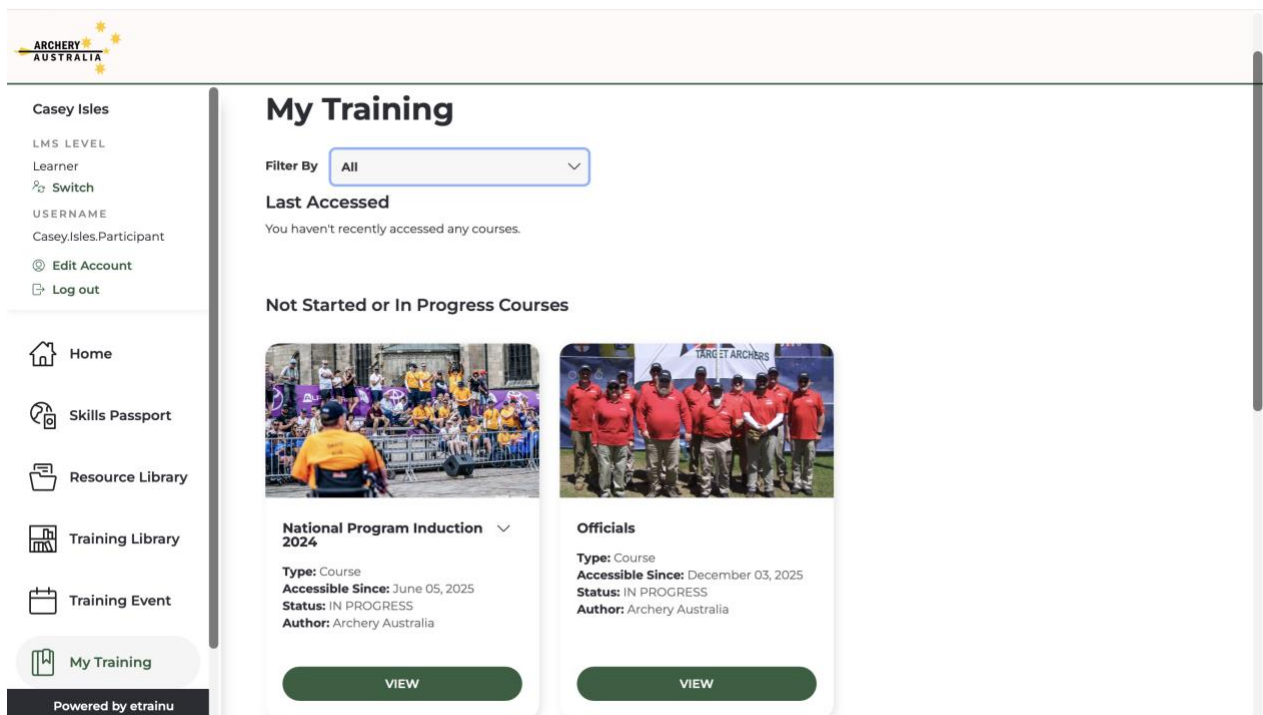

- New Customer**
Create an account
- Existing Customer**
Login to purchase

Once you have created an account or logged in, you will be taken to your Etrainu home page. To view available courses, click “My Training” located at the bottom left of the screen.

The “My Training” section contains all your courses, including both completed and incomplete training. To start or continue a course that has been assigned to you, click “View” beneath the relevant course.

Once within the specific course you will be able to start your course by clicking “Start”.
