THE BENEFITS OF ARCHERY

Social & Supportive Community
Archery provides a welcoming space to connect, socialise, volunteer, grow and have fun while building friendships and becoming part of a community with like-minded people.

Personal Growth & Achievement
The sport builds confidence, patience, and problem-solving skills, with a strong sense of progress and accomplishment.

Challenge & Competition
Archery allows you to push yourself, set personal goals, and engage in friendly competition to sharpen your skills and become your best self.

Accessible to Everyone
Archery can be adaptable to all ages, abilities, and backgrounds, offering an inclusive environment where everyone can meet at the same start line.

Learn & Improve
Clubs offer structured practice, mentoring and opportunities to refine your technique through friendly competition, training with others, and sharing tips and guidance from experienced archers.

Mental Health & Mindfulness
Archery requires focus, concentration and a mind free from distractions, helping you to stay present and develop mental clarity.

Be Inspired & Motivated
Seeing others overcome adversity and succeed in archery fosters motivation and resilience. Be part of a shared experience that is the joy of hitting the target.

Whether its self-improvement, stress relief, or a new community, archery offers a unique blend of focus, fun, and personal development

HOW TO START?

There are over 130 archery clubs across Australia, all who are keen to welcome new members into their community.

What do I do?
Entry starts with an Archery Come N Try session where you can learn about the club and work with experienced coaches who will help introduce you to Archery in fun and safe environment.

What do I need?
The clubs will provide equipment at the Come N Try so you can become more familiar with equipment you might need before buying anything.

What's next?
When you hit that target and realise Archery is the sport for you, you can join up with your local club and let the fun begin!
